Kim,

I have forwarded the e-mail to Ken Sicknick of this office who is the inspector for those areas. The two sites both have paper authorizations and I do not believe they have a NJG number but only the RFA# you referenced. I believe Ken is going to scan and e-mail those paper authorizations to you.

Thanks,  
Matt

Hi Matt,

I'm hoping you can provide me with the NJPDES permit numbers for the two construction sites below, it should be a NJG..... number. I requested from Garden Homes, Inc. a list of all of their active construction sites and these came up in Essex County but they were unable to provide me with the actual permit numbers. I need the NJG#s to enter them into EPA's database so I'm hoping you know where I can find them or can provide the numbers to me. I know the SCD uses different ID numbers so I've provided you with some ID numbers I do know below.

Thanks a bunch!

Kim
